SERVICES PRICING GUIDE

VALID THROUGH MARCH 2019

WELCOME!

All orders under \$200 must be paid in full, prior to work commencing. All designs may receive up to 3 revisions after the initial draft. Additional revisions incur an additional fee, however, this is discussed prior to any work initiated. Turnaround time varies, depending on the complexity of the project. Most projects are completed in 10 business days or less. All prices listed are starting prices and can be changed as necessary per project.

Custom packages and services may be requested. Custom packages and any services over \$200 require a 30% deposit, prior to work commencing.

We are always looking forward to connecting with and solving problems with other entrepreneurs.

We can be reached using the following methods:
